

**Event period: July – September 2024**

**Location: France**

## **CAMERA OPERATOR - JUNIOR**

The Camera Operator will work closely with the MC and Floor Management team to deliver live Sport Presentation segments around the field of play and in the seating stands. The operator must have the ability to operate a broadcast quality camera and line up good, clean shots that will be sent to the Videoboard inside the venue.

### **Key responsibilities include:**

- Reports to the Sport Presentation Venue Producer
- Operate the Sport Presentation camera (Broadcast quality camera) to take a live feed from live segments to the videoboard inside the venue. Cameras may be cabled cameras or roving RF link cameras
- Work closely with a live presenter and stage manager
- Take cues from the Vision Switcher and/or Sport Presentation Venue Producer
- Liaise with experienced camera technicians to troubleshoot any equipment issues

### **Qualifications/Attributes:**

- Camera operation and Camera Production studies essential
- English speaking proficiency required
- Ability to work with a crowd and line up good, clean shots that will be sent to the Videoboard
- Ability to think quick and set up segments with the team in unplanned situations
- Proactive and positive 'can-do' approach
- Ability to remain calm under pressure
- Ability to adhere to policies and follow procedures
- Ability to manage unexpected issues effectively and respond calmly to instructions
- Ability to follow clear instructions effectively
